Community Covenant

Christian maturity involves a commitment to the lordship of Christ, to the truth of God's Word, to a life of dynamic discipleship, and a renunciation of self-centeredness. The mature Christian recognizes that scriptural principles govern both thought and conduct, and seeks to apply these principles to attitude, conviction and behavior.

We, as a community, endeavor to live our lives in accordance with such biblical principles as stated in our Statement of Faith, our Mission and Purpose, and our Community Standard of Behavior (see website).

This commitment to Christian maturity is expected of each Grace Evangelical Seminary student. Please read the Statement of Faith, of Mission and Purpose, and Community Standard of Behavior to determine whether you can unreservedly join in fulfilling them.

"I affirm that I have carefully read the Statement of Faith, the Mission and Purpose, and the Community Standard of Behavior and that these express my own convictions and commitments and that if accepted as a student, I will gladly fulfill the responsibility of abiding by them."

(If you have any questions, reservations, and disagreements, please explain on a separate piece of paper.)
